Barrel & Batch Hawksburn

CASE STUDY

A bespoke liquor fit-out delivering premium appeal

Client	Barrel & Batch
Location	Hawksburn, VIC
Project Type	Premium Liquor Retail
Scope	Custom shelving, LED lighting, timber joinery, coolroom & counter

Set in one of Melbourne's most affluent retail villages, Barrel & Batch needed a liquor retail environment that felt premium and curated, giving customers more than product storage: an engaging browsing experience across wine, spirits and specialty ranges.

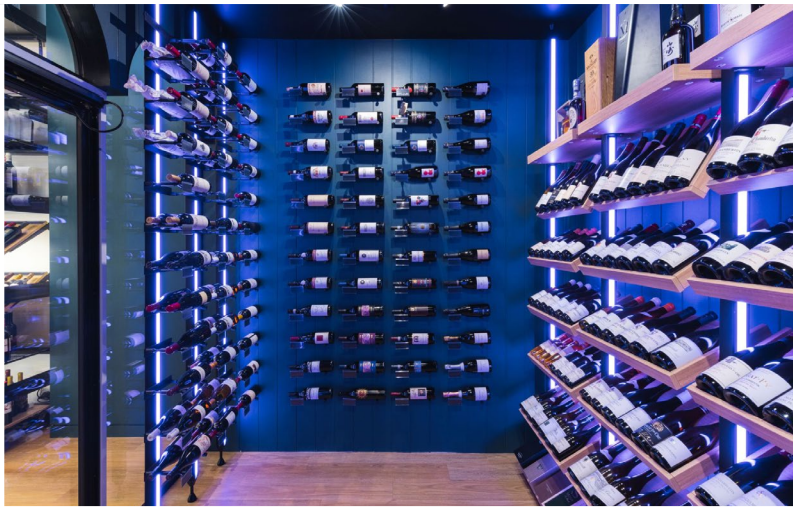

The Fit-Out

- Custom Liquor Wall Shelving, focal display point for premium spirits
- LED Shelf Lighting
- Custom Timber Wine Shelves, handcrafted aesthetic
- Coolroom Shelving and Service Counter

The Result

The layout balances warmth and function, using custom timber detailing and strategic lighting to draw attention to premium wine and spirits, while keeping shopper navigation effortless and operations efficient.

Why It Stands Out

A boutique, high-end store that combines premium presentation with everyday retail functionality.
